

***Learn something you can do
to make a difference!***

First Annual Portsmouth Sustainability Fair
Saturday, April 19
Portsmouth Middle School
on Parrott Avenue, Downtown Portsmouth
10 a.m. – 4 p.m.

Food-Fun-Learning-Music

Join your neighbors at this celebration of Portsmouth's decision to become an Eco-Municipality.

- See exhibits on saving energy, organic lawn care, environmentally friendly cleaning products, solar and geothermal heating, fuel-efficient transportation and more
- Learn how to reduce your waste stream and recycle with Portsmouth's solid waste staff
- Kids! Learn ocean ecology inside a giant blue whale, and take part in the scavenger hunt
- Organic food court – learn how to eat sustainably with local produce
- Local artists will celebrate sustainability with a huge exhibit
- Films and lectures on fair housing, reducing carbon emissions, climate change
- Music by local bands at the solar-powered bandstand

Our city has voted to become an eco municipality. This fun event will celebrate Earth Day in ways that will be fun and educational. Bring your recyclables! Learn about the four system conditions that underlie Portsmouth's Sustainability Initiative:

- Reducing Dependence on Fossil Fuels
- Reducing Dependence on Synthetic Chemicals
- Reducing Encroachment on Nature
- Meeting Human Needs Fairly & Efficiently

*More details prior to the event in
The Portsmouth Herald and The Wire, and at
www.portsmouthlistens.org.*
